**Overview****Institutional Characteristics Overview**

Welcome to the Institutional Characteristics (IC) component. This component collects important information about your institution's mission, admissions, student services, and student charges.

Much of the data reported on IC appear on College Navigator. **Please report data correctly, as College Navigator is only updated one time after IC data have been reviewed, so errors may stay on the website for a full year.**

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency lists.

Remember, **it is the responsibility of the keyholder to provide NCES with accurate data about the institution.** Please never hesitate to call the IPEDS Help Desk and ask for help to make sure that you are reporting correctly!

**Changes to This Year's Institutional Characteristics Component:**

- **The prior year revision system for Institutional Characteristics is available ONLY for admissions data. Changes to cost can ONLY be made in the Student Financial Aid component.**

Reviews of the IC component data indicate a number of places where many people make errors. Please review the common errors listed below to ensure your institution does not make any reporting errors which may affect your institution's appearance to students and others.

- **Question 2 should only be marked 'YES' if your institution is EXCLUSIVELY distance education. Do not mark 'YES' if your courses/programs are also available in person.**
- **Do not try to outsmart fatal errors; this is falsifying data. Contact the Help Desk if you need an override, or fix the data.**
- **Make sure you understand ALL definitions before responding to questions. For example, understand what it means to be 'OPEN ADMISSION' before indicating whether your institution is or is not 'OPEN ADMISSION' and make sure that you are reporting for an 'ACADEMIC YEAR' or 'PROGRAM' as defined by IPEDS.**
