## Overview

### IPEDS Student Financial Aid Component Overview Private Academic Reporters

Welcome to the Student Financial Aid (SFA) component. As a graduate school, the purpose of the SFA component is to collect information about your students who have received military/veteran educational benefits.

#### Data Reporting Reminder

Total number and amount will be asked for both undergraduate and graduate students. Please work with your institutional representative who certifies such benefits. They may not be associated with the student financial aid office.

#### Data Reporting Tips

If there are no students in a benefit category, please enter zero (0). Do **NOT** leave the cell blank.

#### Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at 1-877-225-2568 for resolution.

#### Context Boxes

Context boxes are optional, but allow you to provide more information about the reported data. Some context boxes may be made available to the public on College Navigator, so make sure that the entered information can be understood easily by students, parents, and the general public.
