

## **SUNY Optometry is the PEDIG 'Site of the Month' for September 2018**

Congratulations to Marilyn Vricella OD (Principal Investigator) and Monica Jooa (Study Coordinator) and all the staff involved in making the Clinical Vision Research Center (CVRC) at SUNY College of Optometry the Pediatric Eye Disease Investigator Group's (PEDIG) site of the month for September 2018.

They have been very busy enrolling patients into the IXT5 and ATS20 studies – find out more about these studies by contacting the CVRC.
