

To help keep our SUNY community safe and healthy, please stay home if you are feeling sick.

DO NOT come into the building if you are experiencing any of the following symptoms that cannot be attributed to another health condition.

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Muscle or body aches or fatigue
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting

If you are schedule to work in the UEC, please call Clinical Admin 212-938-4030 before 9am. You must speak with one of the Clinical Admin staff- DO NOT leave a voicemail.

Please notify any individual expecting you at the College that you will be out (supervisor, IOR, lab instructor/clinic supervisor, etc.)

If you are feeling ill while at the college and displaying any COVID-19 like symptoms you are to leave and get tested for COVID-19 as soon as possible.

To search for COVID-19 testing sites click here: [External Testing Sites \(sharepoint.com\)](#)

If you test positive:

- Stay home, isolate and do not come to the college
- Follow the protocol for testing positive for COVID-19 click here: [Tested Positive? Next Steps.... \(sharepoint.com\)](#)

If you test negative:

- on a rapid antigen test and *are still experiencing* COVID-19 symptoms, please obtain a PCR to confirm
 - *due to a higher incidence of false negatives on rapid antigen tests with some individuals experiencing COVID-19 symptoms, it is recommended that a PCR test be done to confirm*
- on a PCR test, you are be cleared to return to the college with all COVID-19 safety protocols in place.

- *If your PCR is negative and you are still not feeling, it may be another virus such as influenza. Please remain home, until you are feeling better.*

If you have any further questions, you can contact the COVID Coordinator Cris Gomez:
CGomez2@sunyopt.edu
